Dear students,

I have a fabulous idea! I want you to join a Russian History club. I think Peter, Ann and everybody else will be glad.

The fact is <sup>the</sup> club will be unique among other clubs. Access to the club'll be free of charge. The point is there'll be <sup>50</sup> a lot of VR hardware equipment. Participants'll be able to fight against Russian enemies. Every aspect of Russian history'll be told to our visitors. Speaking of timetable, this club works from Monday to Sunday. Everybody'll be able to find free time. There'll be three sessions a day. The duration of each session is two hours. As for advantages of participating in this club, student won't be bored with tons of theory. There should be a lot of practice. There won't be so many unknown and special words. Teachers'll tell interesting and useful information. People should know a lot about history.

In <sup>50</sup> conclusion, if you participate in this club, History teacher'll put of a lot of good marks. So take care.

Best wishes,  
George
